

Fusion Capital Management is an RIA, Registered Investment Advisory firm, designed to work with individual, independent advisors. Fusion provides the support that allows advisors to have large firm efficiencies and solutions, with a small firm attention to and focus on client relationships.

## FUSION PROVIDES...

-  **Relationships** with large, institutional firms to allow for better pricing and access.
-  **Technology** to efficiently manage, track and execute investment tasks.
-  **Portfolio Solutions** that can be designed and customized for every individual client need.
-  **Experience** of an institutional investment consulting firm providing research, guidance and portfolio oversight

Fusion Elements

## Fusion Elements Technology

Fusion Elements Technology provides advisors the operational efficiencies to spend less time on their business, and more time with clients. The transparency within the technology gives advisors an up-to-the minute look at the status of accounts and requests so advisors know what is happening with clients' money every step of the way.

Investment advisory services are offered through Coppell Advisory Solutions, LLC dba Fusion Capital Management, an SEC registered investment advisor. The firm only transacts business in states where it is properly registered, or is excluded or exempted from registration requirements. SEC registration is not an endorsement of the firm by the commission and does not mean that the advisor has attained a specific level of skill or ability. All investment strategies have the potential for profit or loss.
